

EXTRACURRICULAR CONSENT FORM

WISD school board policy requires all extracurricular sponsors to safeguard the students entrusted to them during any extracurricular activity. As a result, students are expected to travel to and from these events on schools transportation. In some situations it may be necessary for students to ride home with a parent or other responsible adult. When this occurs the following procedures must be used:

1. Permission from the coach must be obtained prior to the student leaving the activity site.
2. The parent must sign the form below, releasing the sponsor from liability for the student's return to campus.
3. Any student who wishes to return from the event ***with anyone other than a parent must get this approved by the principal at least 24 hours in advance of the event.***

I hereby request that _____ be allowed to ride home from the extracurricular activity on _____ with:
